EDUCATION

B.S. Computer Science, University of South Carolina – Columbia, SC
Expected Graduation: May 2022

- Major GPA: 4.0
- Capstone Scholar, a member of an exclusive academic program at U of SC offered to students that had the most competitive GPA's and applications

WORK EXPERIENCE

Software Intern, Lockheed Martin – Mitchel Field, NY
June 2020 – Present

- Worked remotely on various test automation projects
- Project Manager for my intern team that competed in a virtual drone building and racing competition against 40 other intern teams and placed first out of the Mitchel Field teams
- Discussed networking and professional development skills with interns and employees from LM locations across the country at a virtual Women in Computer Science Summit
- Represented RMS Interns during the 2020-2021 academic year as an Intern Ambassador

SKILLS

Programming: Java, C++

Applications: Windows, iOS, Ubuntu, Tableau, Jira

Clearances: DoD Secret Clearance (May 2020 – May 2022)

RELEVANT COURSEWORK

- CSCE 240: Advanced Programming Techniques
- CSCE 247: Software Engineering
- CSCE 350: Data Structures & Algorithms
- CSCE 520: Database System Design

ACHIEVEMENTS AND AWARDS

President's Honor List
Fall 2018, Spring 2019, Spring 2020, Spring 2021

- Recognition awarded to U of SC students with a GPA average of 4.0 earned on at least 12 credit hours

Academic Excellence Scholarship
Fall 2018- Present

- Scholarship awarded to students that scored, on average, a 33 on ACT, and maintained a high school GPA of 4.66 or higher

ACTIVITIES

Director of Recruitment Logistics, Gamma Phi Beta Sorority – Zeta Sigma Chapter
January 2019 – January 2021

- Developed electronic process to match prospective new members with active members during formal recruitment based on provided background information
- This process resulted in our chapter successfully recruiting the largest pledge class on U of SC campus and in our chapter's history during Fall 2019
